

# Cihan KÖMEÇOĞLU

## **Contact Information**

İzmit, Kocaeli  
+90 544 333 3928

cihankomecoglu@gmail.com  
cihan@enderunix.org

## **Education**

- 2004- ...
- Kocaeli University Computer Engineering

## **Technical Experience**

### ***Programming:***

- 3 years C programming
- 1 year C++ programming
- 2 years system and TCP-IP programming with C

### ***Operating Systems:***

- 3 years linux
- 2 years FreeBSD

### ***Networking:***

- Medium Level TCP/IP

### ***Other:***

CVS, gdb, Pf, bind, samba, apache, php, mysql, Berkeley db

## **Projects**

- Scanhill: Tracks and intercepts Microsoft Messenger conversations  
**Project Web page:** [www.enderunix.org/scanhill](http://www.enderunix.org/scanhill)
- Graduation Project: Wireless Card Power Management
- Porting STPM module from linux kernel 2.4 to 2.6

### Papers

- Simple Bootstrap Implementation - Translation of English  
*<http://www.enderunix.org/docs/helloboot-eng.pdf>*
- Simple Bootstrap Implementation  
*<http://www.enderunix.org/docs/helloboot.pdf>*
- Sniffing and Msn Messenger Protocol  
*<http://www.enderunix.org/docs/msnsniff.pdf>*
- Integer Overflow  
*<http://www.enderunix.org/docs/intof.pdf>*
- TCP/IP Implementation – Part 1  
*<http://www.enderunix.org/docs/tcpip-boll.pdf>*

### Seminars

- FreeBSD 6.2 Installation and New Features - Ege University & Enderunix Open Source Code and FreeBSD activity
- Kadir Has University - C Programming and Debuging under FreeBSD
- Yıldız Technical University - EnderUNIX

### Interests

- Unix System and Network programming
- Kernel programming and operating system design

---

### Volunteer Work

*2006 - present*

**Member, EnderUNIX Software Team**  
**- <http://www.enderunix.org>**

### Personal Info

Birth Date: 20 May 1985

Marital Status: Male, Single

Foreign Languages: English – intermediate level

Hobbies: Reading books, traveling
